

The Room Website Manual

"The Room" boasts an exceptional post system, The Storybook, that lets you share captivating media with the world. Express your creativity through memes, images, videos, and other forms of media while keeping your identity under wraps

Forge meaningful relationships with real people, all connecting with each other from behind the mask of anonymity. Experience the joy of genuine interactions, where judgments based on appearances and identity are left at the door.

Explore a world of anonymous interactions, where you can engage in chat conversations without revealing your true identity. Share your thoughts, ideas, and experiences openly, knowing that your anonymity is safeguarded.

1. Introduction

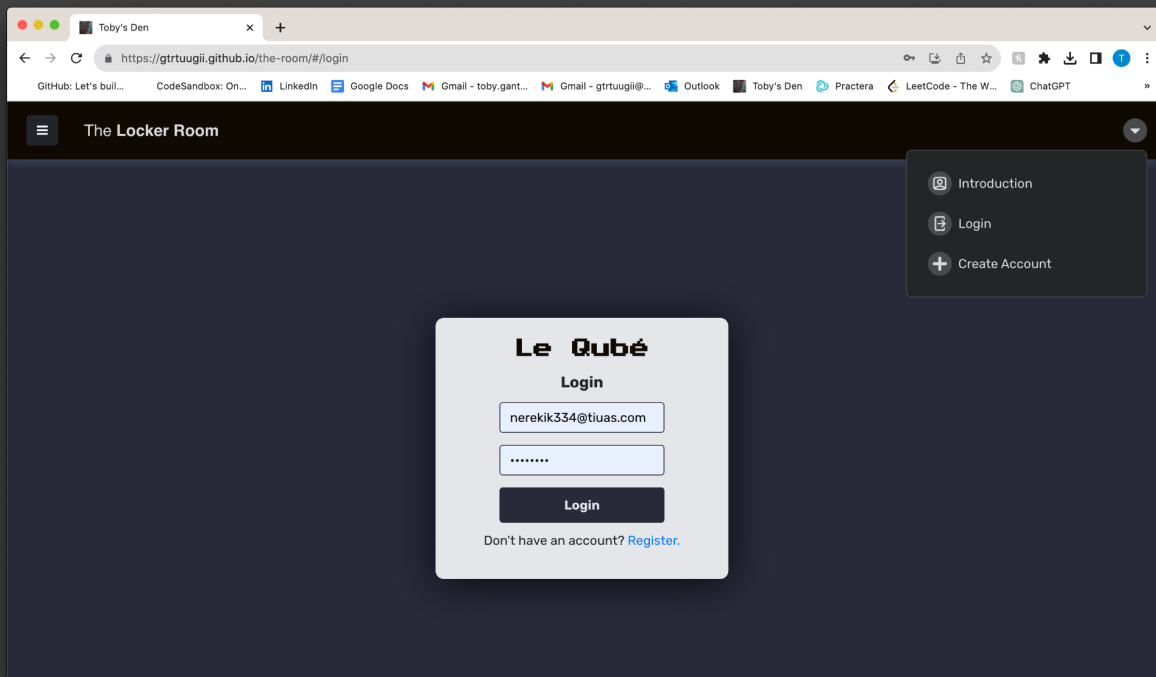

Welcome to The Room website manual! This guide will provide you with a comprehensive overview of the features and functionalities of our platform.

2. Getting Started

Step 1: Open your web browser and navigate to gtrtuugii.github.io/the-room/the-room/.

Step 2: On the homepage, you'll find the navigation menu that gives you access to various sections of the website.

3. User Registration and Login

New Users:

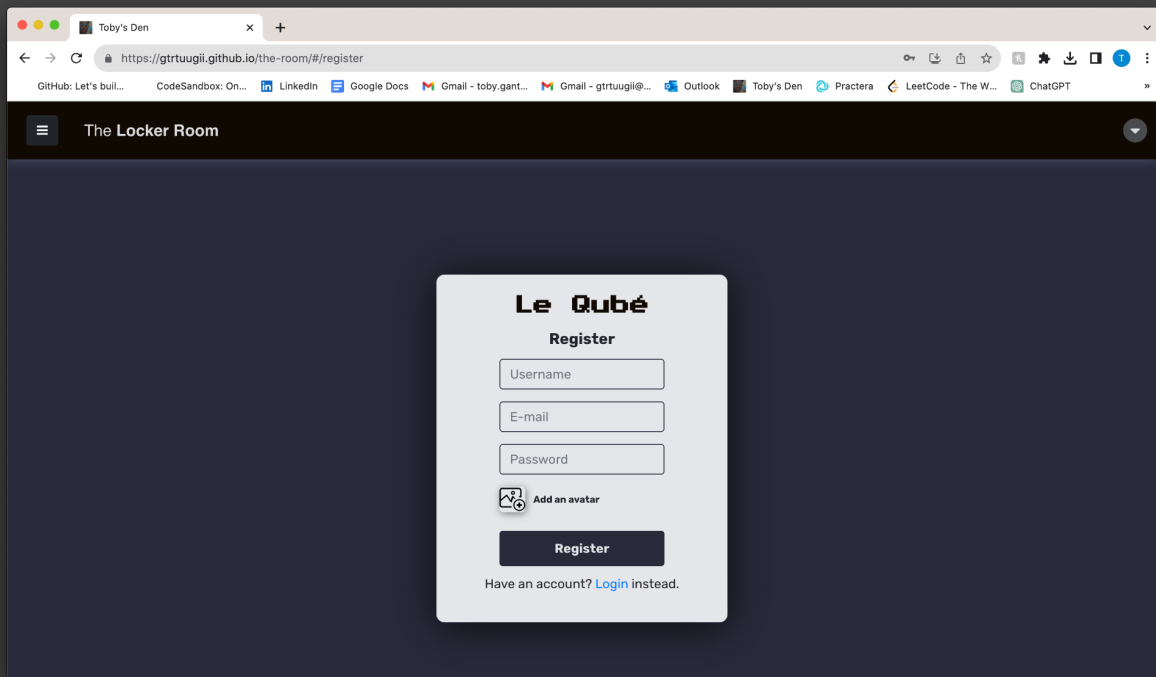

Step 1: Click on the "Create Account" button located in the navigation menu.

Step 2: Fill in your email and password to create an account.

Optional: It is recommended to upload a profile image.

Step 3: Click the "Register" button to complete the registration.

Step 4: Verify your email by pressing the link we have sent to your email account.

Existing Users:

Step 1: Navigate to the login page using the navigation menu.

Step 2: Enter your registered email and password.

Step 3: Click the "LogIn" button to access your account.

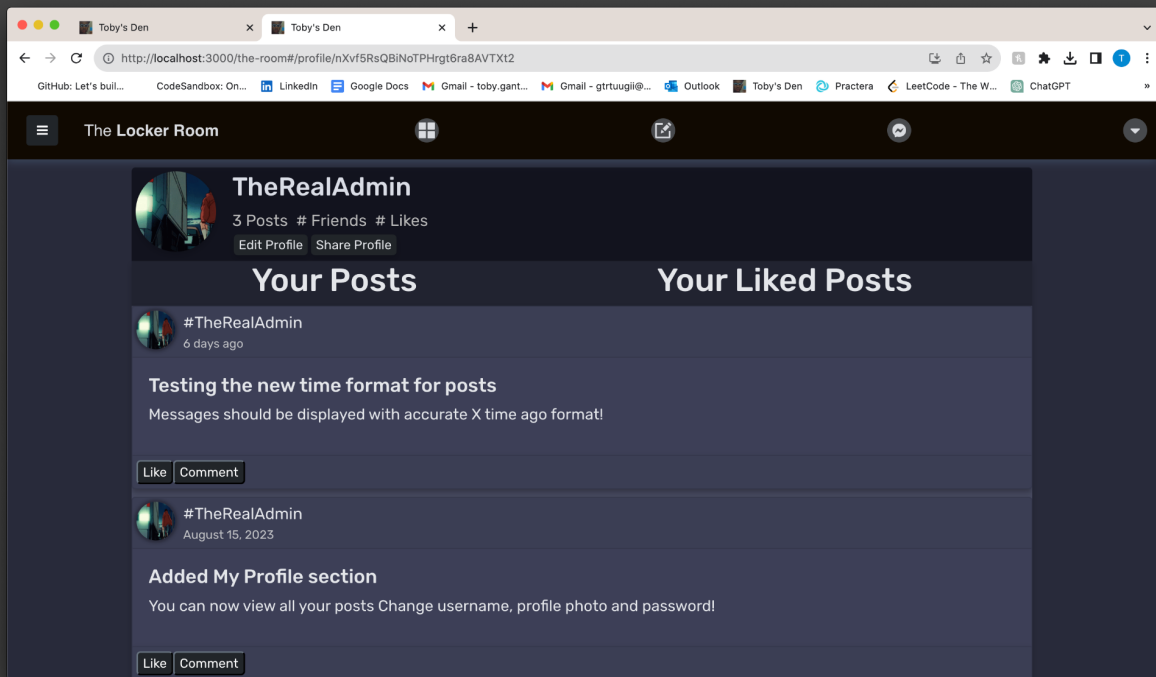

4. User Profile

Your user profile allows you to manage personal information and preferences.

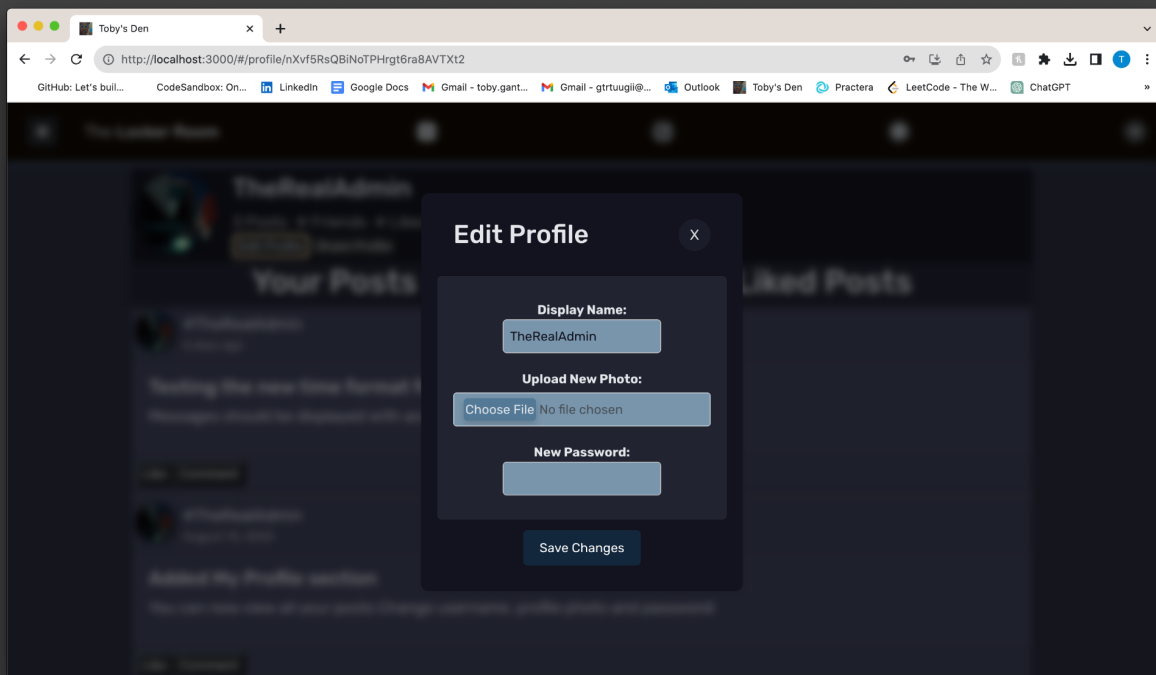

Step 1: After logging in, click on your profile picture at the top right corner.

Step 2: Select "My Profile" from the dropdown menu.

Step 3: Here, you can view your uploaded posts or update your display name and profile picture by pressing the "Edit Profile" button.

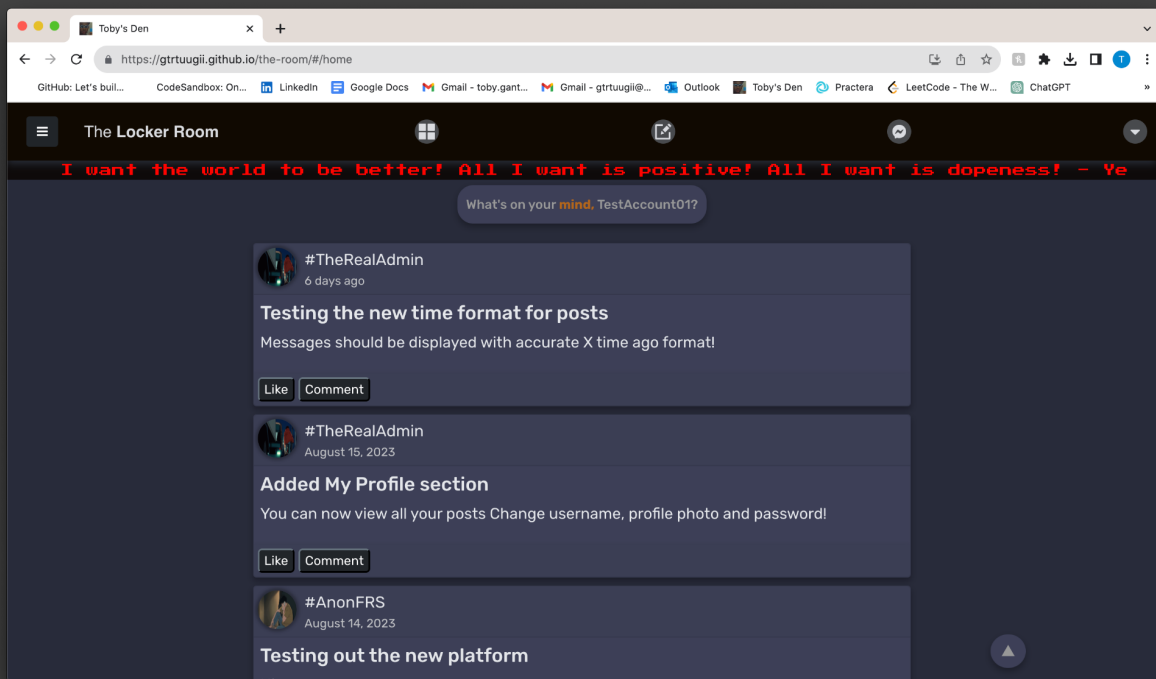

Step 4: To change account details go to “Edit Profile” and click the “Save Changes” button to apply updates requested.

5. Creating a Post

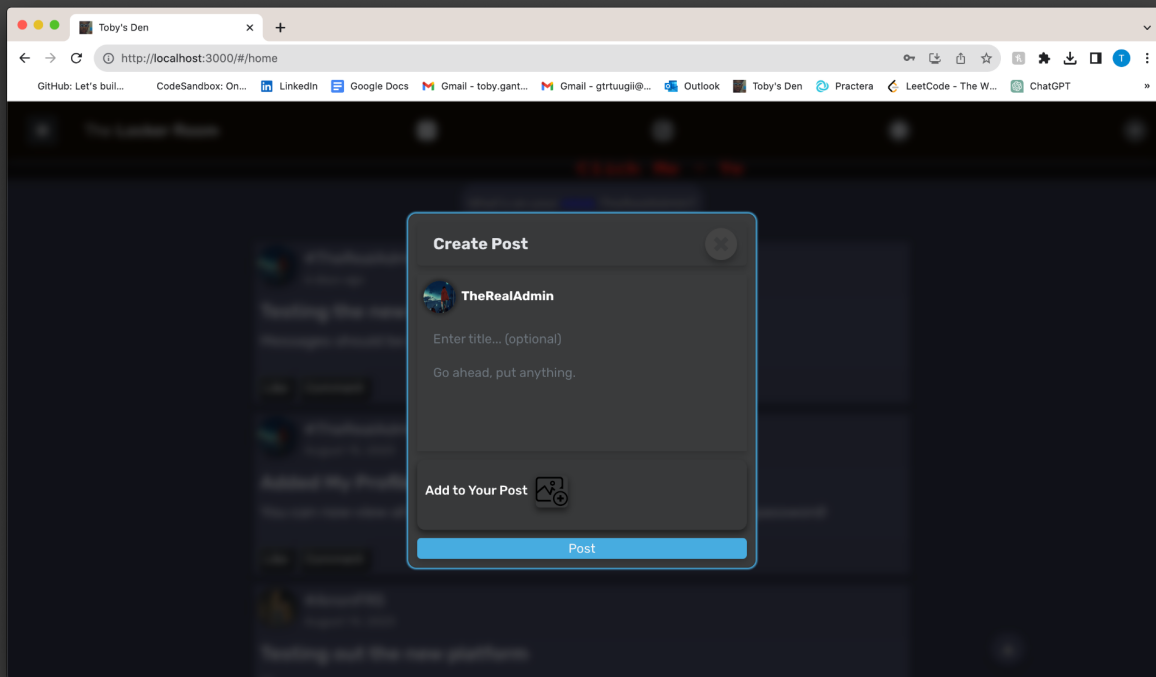

Share your thoughts by creating a post:

Step 1: Click on the "What's on your mind [Username] ?" button on the homepage.

Step 2: Enter the title and content of your post.

Step 3: You can also upload an image to accompany your post.

Step 4: Click the "Post" button to publish.

6. Interacting with Posts

Engage with posts through likes and comments:

Step 1: Scroll through posts on the homepage.

Step 2: Click the "Like" button to express appreciation.

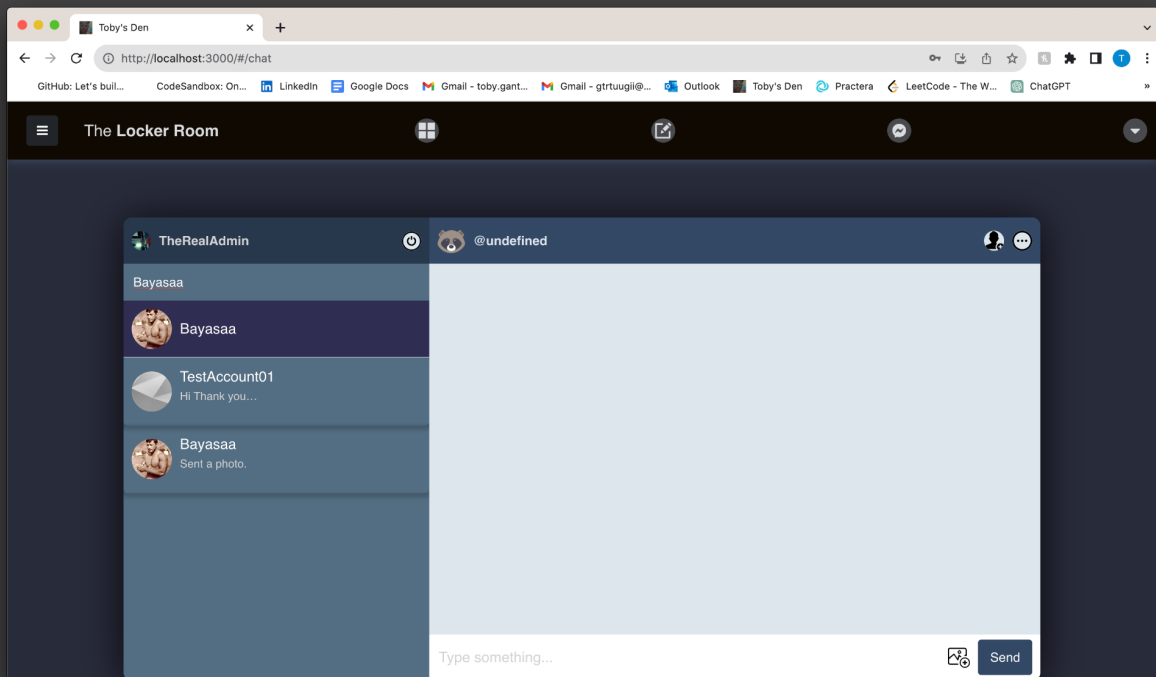

Step 3: To comment, click "Comment" and type your response.

7. Private Messaging

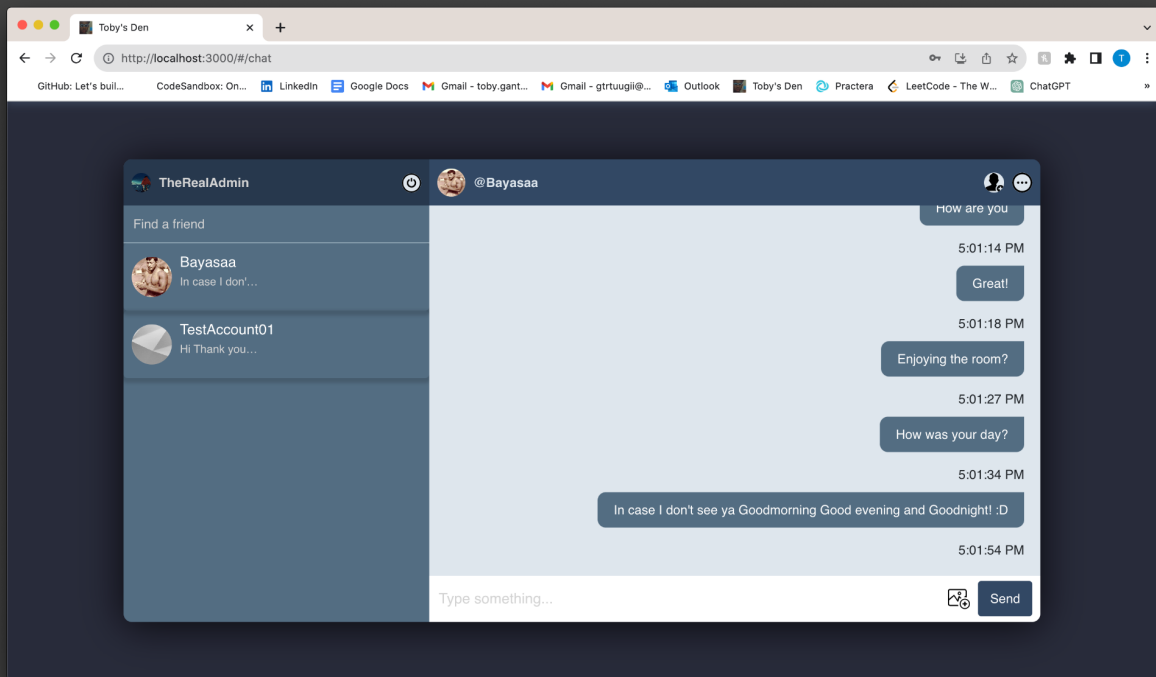

Stay connected with other users through private messages:

Step 1: Navigate to the messenger by clicking the messenger icon on the navbar or you can navigate to the messenger using the app dashboard.

Step 2: Enter the username of the person you wish to initiate a private conversation with in the search bar.

Step 3: Type your message in the chat window and hit "Send."

Step 4: Receive and reply to messages in the "Messages" section of your profile.

8. Community Guidelines

For a positive experience on The Room website, we encourage you to follow our community guidelines:

- Respect other users and maintain a friendly atmosphere.
- Refrain from sharing harmful, or inappropriate content.
- Keep discussions relevant and constructive.
- Report any content that violates our guidelines.

9. Troubleshooting

If you encounter issues, consider these steps:

Step 1: Ensure a stable internet connection.

Step 2: Clear your browser's cache and cookies.

Step 3: Check for any ongoing website maintenance.

10. Feedback and Suggestions

We value your feedback to continually improve our platform. If you have suggestions or encounter any issues, please let us know through the provided feedback channels.

11. Contact Support

For assistance, contact our support team at toby.gantumur@gmail.com.

Thank you for using The Room website! Enjoy your experience.
